
How to find your investment strategy?

Contributed by Wilfred Ling
Thursday, 17 April 2008

What to invests for retirement? What kind of instrument is available to invest for children education? Do you know that these questions are not investment strategies? What are investment strategies and what kind of investors are more suited to one form of investment strategy as compared to another? In the March 2008 issue of The Executive, Wilfred Ling writes on the two investment strategies. The full article can be downloaded [HERE](#).
