
Learning From Crisis / Build a Better Portfolio

Contributed by Wilfred Ling
Wednesday, 07 January 2009

How is money created and why the manner it was created is causing havoc in the marketplace? What are the things we can learn in this financial crisis? Moreover, how does one build a better portfolio in view of the current economic climate? For December 2008 issue of the INVEST, Wilfred Ling appears in two articles. Learning From Crisis and a interview with INVEST on Build a Better Portfolio.
